Reminders

PPVT-4/5

A memorandum drafted by the EREDS leaders was sent out by Cynthia on November 13 communicating the decision to no longer require the PPVT and to answer some FAQs. **Please complete PPVT data collection this spring and finish out strong!**

For 2023-24, PPVT-4 data will be included in processed datasets. FPG's website will accept PPVT-5 data but will not be updated to confirm scores for the PPVT-5 nor will PPVT-5 data be included in processed datasets. You can request paper PPVT-4 forms from Linda Soto at FPG

Teacher IDs & DECAs

If your site is able to, please remember to include the ID of the teacher who administered the DECA on the assessment form

Assessment Reliability Videos

If you have not yet sent assessment videos for review this calendar year, please do so. Let us know if you have questions

At our last meeting...

LEP-NEP Community of Practice - 11/10/23

Allison led a discussion about the 3 principles in the research agenda, the work we've done so far, what to do in the future, things to learn, and tracking our success. LEPs also shared about the conversations they've had with their RPPs about the research agenda.

The National Evaluation team gave reminders about the fall parent interview and using the classroom observation coversheet with CLASS and ITERS-3 data collection. Gisele led a discussion regarding collecting PLS data with 2 and 3 year olds.

Recordings of LEP-NEP CoP meetings are available on the archive page or eln.fpg.unc.edu

We look forward to seeing many of you next month in Chapel Hill, NC for Data Camp!

EREDS review function

Conference presentations, papers, and proposed studies must be reviewed by the EREDS Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation
