Reminders

Select Fall Parent Interview option

LEPs should meet with their site leadership to select which Fall Parent Interview option they will use for 2024-25. The mini interview is now an option for sites struggling with response rates.

Shortened Parent Interview for Spring 2024

Key sections for data analysis from the fall parent interview are requested from families who did not complete or weren't enrolled at the time of the fall interview.

10% sample reliability checks

Kalen sent out files to complete the check from Fall and Spring 2022-23. This task should be **complete by April 30**. Please reach out if you have questions or when you have completed the check

PPVT-4/5

Please complete PPVT data collection this spring and finish out strong!

For 2023-24, PPVT-4 data will be included in processed datasets. FPG's website will accept PPVT-5 data but will not be updated to confirm scores for the PPVT-5 nor will PPVT-5 data be included in processed datasets. You can request paper PPVT-4 forms from Linda Soto at FPG

- **May 10** - LEP-NEP Community of Practice Meeting

EREDS review function

Conference presentations, papers, and proposed studies must be reviewed by the EREDS Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation

At our last meeting...

LEP-NEP Community of Practice - 4/4/24

Dr. Kristin Black, an assistant professor at UNC, presented about the value of and how to best engage in Community Based Participatory Research. The slides and recording of the presentation can be found on the archive page of eln.fpg.unc.edu

Gisele Crawford and the FPG team reminded folks of the April 15 target date for Staff survey completion and launch date for Spring Parent surveys. LEPs should meet with their site leadership to choose which version of the Fall Parent Interview to use in 2024-25. Please let FPG know your site's choice by May 31.

Carly Landgraff highlighted two reports used to share child data with teachers and parents that are available as templates on Educare Share.

Gisele provided NCO updates in Amanda's absence, including that the Re-envisioning Educare Ad Hoc Committee will be sharing their recommended priorities with LEPs via webinar on April 23 from 2-3 central time.

Our next LEP-NEP Community of Practice meeting is on May 14.

Teacher IDs & DECAs

If your site is able to, please remember to include the ID of the teacher who administered the DECA on the assessment form
