Error Corrections

Target date for error corrections is September 30. Errors must be addressed prior to submitting attendance and disabilities data. LEPs can generate error reports through the reports tab of the EIS website - survey.fpg.unc.edu/educareis/.

PPVT-4/5

Because Pearson will no longer support PPVT-4 on the iPad version, sites using the iPad must choose whether to use paper forms for the PPVT-4 or switch to the PPVT-5. For 2023-24, PPVT-4 data will be included in processed datasets. FPG's website will accept PPVT-5 data but will not be updated to confirm scores for the PPVT-5 nor will PPVT-5 data be included in processed datasets. You can request paper PPVT-4 forms from Linda Soto at FPG

Teacher IDs & DECAs

If your site is able to, please remember to include the ID of the teacher who administered the DECA on the assessment form

Assessment Reliability Videos

If you have not yet sent assessment videos for review this school year, please do so. Let us know if you have questions

EREDS review function

Conference presentations, papers, and proposed studies must be reviewed by the EREDS Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation

At our last meeting...

LEP-NEP Community of Practice - 8/11/23

Allison DeMarco led the group in thinking about building a culture of accountability by walking through a logic model toward DEIB goals.

The National Evaluation team gave reminders about the fall parent interview, annual data entry, and error report corrections.

The Educare Connections newsletter from Friday, 8/11 links to a discussion guide for discussing the Research Agenda with your RPP. The newsletter also highlights a recent paper on teacher turnover.
