EIS Website to 2024-25

2024-25 Fall Parent Interview

The survey site for entering Fall Parent Interviews is live. Word document versions are available for download on the resources page of eln.fpg.unc.edu.

New Race variable in EIS

The race options for children in the EIS website have been updated to match our surveys (which are aligned with the US Census). Check all races/ethnicities that apply, including Hispanic/Latino and/or MENA. Then for the multiracial question, check the one category that best describes the individual. Please review the June 7 email from Keil for details.

At our last meeting...

LEP-NEP Community of Practice - 8/9/24

Amanda Stein proposed the idea of reflecting on the state of our RPPs at least annually. She asked for LEPs to share their thoughts about a reflection tool to make it most useful for schools. LEPs will contribute their thoughts as they pilot the reflection tool shared by Amanda.

Allison De Marco reviewed the racial equity activities that LEPs prioritized in our last meeting and highlighted the inventory of our CoP materials and topics that is available on EducareShare by navigating to the LEP CoP group, then the Monthly LEP CoP Meeting Materials file.

Gisele Crawford provided updates relating to the National Evaluation - including wrapping up 2023-24 data collection and beginning 2024-25. Noreen Yazejian highlighted the importance of being able to connect Family Support Staff and children and asked LEPs to update that information in EIS as a batch or individually.

Kalen Donahue sent an email to everyone on July 25 about completing the error reports for 2023-24 data by September 30. There is a new validation in the report to check for Educare children assigned to non-Educare classrooms and vice-versa. Once the error report is complete, reach out to Keil Jones for your attendance and disability files.

Recordings of the CoP meetings and resources from those meetings can be found on the archive page of eln.fpg.unc.edu

Our next LEP-NEP Community of Practice meeting is on September 13 at 12pm eastern.

EREDS

Conference presentations, papers, and proposed studies must be reviewed by the Educare Research Evaluation and Data Strategy Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation. The review form and list of EREDS members can be found on the resources page of eln.fpg.unc.edu

Recent Updates

Gary Bingham presented information on LEP work to strengthen RPPs to EREDS members. Noreen Yazejian asked for feedback on the outline of a new FPG report on National Evaluation data. Amanda Stein gathered topics for a future meeting of LEPs and ED/SDs.

EREDS next meeting is September 5 at 12pm eastern.
