10% sample reliability checks

Kalen sent out files to complete the check from Fall and Spring 2022-23. This task should be complete by April 30. Please reach out if you have questions or when you have completed the check

PPVT-4/5

Please complete PPVT data collection this spring and finish out strong!

For 2023-24, PPVT-4 data will be included in processed datasets. FPG's website will accept PPVT-5 data but will not be updated to confirm scores for the PPVT-5 nor will PPVT-5 data be included in processed datasets. You can request paper PPVT-4 forms from Linda Soto at FPG

EREDS review function

Conference presentations, papers, and proposed studies must be reviewed by the EREDS Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation

At our last meeting...

LEP-NEP Community of Practice - 2/9/24

Allison De Marco lead the group in discussing principles 10 and 11 of the research agenda. LEPs also were asked to fill out a Qualtrics survey about the demographics and equity practices of their LEP team. Allison emailed the Qualtrics link out to the LEP listserv after the meeting. Please complete the survey by Friday, February 16.

Gisele Crawford and the FPG team reminded folks about website changes coming soon, staff survey tasks, datasets and reports on SharePoint, and sharing assessment videos.

Melissa Acton encouraged LEPs to share resources, tools, and reports on EducareShare.

Amanda Stein shared an RFP opportunity to be released March 31 relating to qualitative study of workforce recruitment and retention in collaboration with the ad hoc committee.

Our next LEP-NEP Community of Practice meeting is on March 8.
