At our last meeting...

LEP-NEP Community of Practice - 7/12/24

Allison De Marco led the group through a town hall on Advancing Racial Equity in Research to inform our work moving forward.

Gisele Crawford and the FPG team reminded folks about completing spring parent surveys by June 30, error corrections, finishing up 2023-24 data entry. Gisele and Keil let LEPs know about the survey site change to 2024-25 taking place on Monday, July 15. Keil also reminded the LEPs about the new race variable in the EIS site - please reach out to Keil Jones with any questions.

Zac Price and Ann-Marie Faria presented about the goals and timeline of the workforce taskforce. They also collected feedback from LEPs about priority areas for this work.

Recordings of the CoP meetings and resources from those meetings can be found on the archive page of eln.fpg.unc.edu

Our next LEP-NEP Community of Practice meeting is on August 9 at 12pm eastern.

New Race variable in EIS

The race options for children in the EIS website have been updated to match our surveys (which are aligned with the US Census). Check all races/ethnicities that apply, including Hispanic/Latino and/or MENA. Then for the multiracial question, check the one category that best describes the individual. Please review the June 7 email from Keil for details.

EREDS

Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation. The review form and list of EREDS members can be found on the resources page of eln.fpg.unc.edu
