Reminders

2025-26 Fall Parent Interview

Work with your school partners to select your parent interview version for 2025-26. Please see Gisele’s email of May 6 for details and the annual guide to options.

Resources such as the interview, show cards, and interview guide are available on the Study Tools & Forms page of eln.fpg.unc.edu.

Interviews can be entered into the survey website once the school year is flipped to 2025-26 on July 28. FPG will communicate when that is available.

At our last meeting...

LEP-NEP Community of Practice - July 11

FPG McKinney Scholars interns Amaya Jeffers and Kamora Coleman joined the meeting this month and presented a one-pager on the interviews and surveys of the National Evaluation.

For our RPP work, Amanda Stein led a discussion about how LEPs and schools have been engaging with Tableau and creating a protocol to encourage use moving forward. LEPs also shared their routines around transitioning to a new school year, including communicating with their practice partners to improve the RPP.

The FPG team shared national evaluation reminders and asked for thoughts on the 2025 Data Camp agenda, including an instrument showcase and using PIR data alongside Educare data.

The next LEP-NEP community of practice meeting will be August 8 at 12pm eastern.
