At our last meeting...

LEP-NEP Community of Practice - 6/14/24

Gary Bingham introduced a new focus of the CoP meetings - Strengthening our RPPs. Gary presented about core LEP practices, effective/ineffective practices, and challenges LEPs face. Small groups discussed how to overcome these challenges and how we should spend time in our CoP moving forward to strengthen our LEP practices and RPPs.

Gisele Crawford and the FPG team reminded folks about completing spring parent surveys by June 30, short parent interviews for spring collection, error corrections, and finishing up 2023-24 data entry. Sites have chosen their sections for the 2024-25 Fall Parent Interview and should reach out to Gisele immediately if their choice is not reflected above. Gisele also reminded the LEPs about the new race variable in the EIS site - please reach out to Keil Jones with any questions.

Recordings of the CoP meetings and resources from those meetings can be found on the archive of eln.fpg.unc.edu

Our next LEP-NEP Community of Practice meeting is on July 12 at 12pm eastern.

New Race variable in EIS

The race options for children in the EIS website have been updated to match our surveys (which are aligned with the US Census). Check all races/ethnicities that apply, including Hispanic/Latino and/or MENA. Then for the multiracial question, check the one category that best describes the individual. Please review the June 7 email from Keil for details.

EREDS

Review function

Conference presentations, papers, and proposed studies must be reviewed by the Educare Research Evaluation and Data Strategy Work Group. Papers should be reviewed before submission; conference presentations can be reviewed after they are accepted but at least two weeks prior to the presentation. The review form and list of EREDs members can be found on the resources page of eln.fpg.unc.edu

Recent Updates

The group reviewed feedback from the LEP/School Leaders meetings at the Network meeting, discussed the role of EREDs in implementing the research agenda and recommendations of the Ad Hoc committee, and were updated on the progress of the Recruitment and Retention taskforce.
