On-Demand Wed. AM	Creation of a more flexible way for LEPs to get on-demand reports or data visualizations, perhaps crossing years and sites in limited ways.	Keil, Nupur, Ping	Carissa, Gisele, Kalen, Melissa, Todd, Odorico, Sue	There will be a whole-group discussion the first morning of Data Camp about this project. This small group time is a chance to talk in more detail. Participants will be asked to participate in future discussions/tasks.	KG
Parent participation Wed. PM	A conversation about parent participation, especially parent survey response rate, with a view to possibly developing some internal product outlining some of the issues and possible strategies.		Amanda, Todd, Rachel, Toni, Odorico, Sue, Gladys, Gisele	There will be a variety of approaches. The goal is not to eliminate any as much as to make the case for each. If we go forward with some kind of internal product, how can parents be included in the development process?	GC
Network meeting Thurs. AM	Discuss ideas for LEP time at the annual Network Meeting in May 2023. Discuss Network Meeting Data Dialogues if additional time is needed after morning whole group session.	Amanda, Rachel, Laura	Ping, Gisele		GC
